There is an art to everything, and everything is an art. It doesn't matter if you are painting a portrait, plowing a field, or making a peanut butter and jelly sandwich—there is a way of doing things that transforms the act itself from merely average to true artistry. The same goes for anal sex. Just look at the way Jada Stevens and her kinky friends spread their juicy cheeks and sweet sphincters for thick cock. These girls are true artists, like Picasshole or Vincent Van Gape! Here's your chance to get your hands on the work of a true artist. Fill out the coupon below and **10 lucky readers will win a copy of *The Art Of Anal 2* signed by star Jada Stevens**. It's all courtesy of your pals at 3rd Degree (thirddegreefilms.com) and CHERI (cheri.com)!

JADA STEVENS

smokin' crack

Mick Blue's got a good job. He produces adult films, which allows him to travel all around the world, accompanied by some of the most beautiful women on the planet. And he acts too, which is another way of saying he gets to stick his dick into these beautiful women, and blast his sticky spunk all over their smiling faces. Today he's shooting a scene with Jada Stevens, cramming his dick down Jada's throat before plowing into the tender tissues of her rectum. "Mick is an amazing director," Jada explains between thrusts. "He really pulls an amazing performance out of me." Evidently by pushing his bloated junk *into* you, Jada.

INTERVIEW WITH A PORN STAR

BROOKLYN LEE

BEST NEW STARLET SPOUTS OFF ABOUT PORNO PRIZES & PENIS SIZES!

Interview by Rob Perez

PORN VALLEY, CA—No other girl in porn is hotter right now than Brooklyn Lee. Currently starring in the Voracious webisodes, the full-length erotic vampire epic is scheduled to be released later this year, just in time to be nominated for a whole host of AVN Awards. As far as this year's AVN Awards, you could say Brooklyn had a pretty epic night, winning five AVN Awards including the prestigious Best New Starlet of the Year. *Voracious* is being hailed as the next great epic film from directing master John Stagliano, with Brooklyn Lee front and center, appearing in scenes with two of the greatest males performers in history—Manuel Ferrara and Rocco Siffredi—and one of the roughest, dominant female performers of all time, Sandra Romain. Just appearing in one scene is too much for even seasoned veterans to handle. Brooklyn actually brings out the best in them. With starring roles in features, parodies (including the award winning *Spiderman XXX*), and a number of gritty, anal-themed gonzo titles on the horizon, Brooklyn promises the best is yet to come!

Photos courtesy of 3rd Degree,
Digital Playground, Digital Sin

Tell me how you felt the night of the AVN Awards after winning five big awards?

The night of my win I was really excited, but probably more exhausted than anything. I got downstairs and did my red carpet interviews for Hot Video. I got to my seat and it was finally time to relax, and I won the first award. I was like, "OK, this is good. *(Laughs)* Even if I don't win anything else I got one, so that's good." After I got the first one, I was just relaxing and excited about the whole ride. *(Laughs)*

How did you feel when they announced your name as Best New Starlet? How much does the award mean to you?

I couldn't believe it. I thought it was going to be between two other people, not me. It was total shock and awe. I've seen the pictures of me accepting it ,and I've also seen a video on TMZ and I have a pretty shocked expression on my face. *(Laughs)* I thought people were messing with me. I thought it was a joke.

Describe your first year in the business; how would you rate 2011 professionally speaking?

It was busy, tumultuous, and fun. It was unexpected in many ways. I got to travel a lot and do a lot of really exciting things. Coming out here a year-and-a-half ago I didn't think I'd get to do so many different types of projects. I thought you just showed up, filmed a scene and then that would be that. It's a lot more involved, and there's a much broader range of things you get to do that I didn't anticipate. It was fun, and it was quite a nice surprise.

Your big film for Evil Angel is coming out soon, *Voracious*. Can you tell me about that film and what role you play in that?

Voracious is John Stagliano's latest project. It's sort of in the vein of *Fashionista: Safado* but not really. *(Laughs)* He's a big fan of vampire culture, its different versions throughout the years, and he wants to do his own take on vampires and what it means to be one. I met him months ago and he told me he was starting to work on this project and he really wasn't sure what he was going to do with it. He was also considering me to be a part of the movie. He didn't tell me I was going to be the lead in the movie. *(Laughs)* I did a little audition for him and he called me back a couple of weeks later and he told me we were going to Europe. We filmed in LA for a couple of days then we went straight to Budapest. After that we went to Berlin and then we came back and actually filmed a little bit more in LA.

"The big dicks are good for visual effects and they obviously feel great, but it truly doesn't take that much to get me off.

31410

So you're carrying this movie pretty much?
I haven't seen final cut so I don't know how much I'm carrying per se. I know I'm the main character! *(Laughs)* I didn't quite understand what was going on until it was done so there was no fear of, "This is a lot of responsibility," or "Can I do this?" or anything like that. We just jumped into it and I think in hindsight that's probably better because had I known I had that much resting on it, I may have been more scared throughout the process.

So it was better he didn't tell you how big your role was.
I think that's part of it, and I think that the script was a very organic and evolving thing throughout the way. I don't think he knew in the beginning what exactly he was going to do with the identities of each of the characters. I remember meeting for breakfast many mornings in Budapest and he would be re-writing. Like vigorously scribbling on a notepad. I don't think he knew. *(Laughs)*

Is Evil Angel your favorite studio to work for?
I couldn't pick a favorite, but I absolutely love them. I love John Stagliano, and I love many of his directors. But I also like to work with Vivid, Digital Playground, Wicked, and so many other companies. I like the range and the variety, and I think that's what keeps me excited about it. I think if I were too pigeon holed and only working with one company maybe it wouldn't have the same excitement. I really do appreciate the range.

What other big titles do you have coming out in 2012?
There's some stuff I'm not even allowed to talk about yet! *(Laughs)* Some really exciting stuff with big companies. I'm going to Europe to shoot some titles with Harmony Films, which should get a decent amount of attention. We'll see.

What titles that you performed in from 2011 would you recommend to people not familiar with your work?
I would definitely pick up *Spiderman XXX*. The scene I had with Xander Corvus as Spiderman was fun, and we wore the costumes throughout it. *(Laughs)* So it definitely shows my flexibility I guess you could say. I also did a movie for Wicked called *Heart Strings* which was basically a romantic feature for their couple's line. I play a heartbroken country girl who finds love with a wayward musician. So that's a cute one. I got to act a little bit in that one. As far as gonzo titles I shot some stuff with Elegant Angel that definitely shows me having sex in its most basic and wonderful form. *Voracious*, when that's out that will probably be the big kicker. You'll really get to know me well. *(Laughs)* I'm extremely excited about that project and also a little nervous because I think it's very different than what people are used to seeing. Because it's John's movie there is a certain expectation. You kind of know what you're getting yourself into in that it will be unique and intense, but we really pushed a lot of boundaries I guess. I'm curious to see what the reception if people like it or if it's going to be too much for people. I don't know.

How old were you when you realized the power of your sexuality; that being a pretty girl can open doors for you?
Probably later than a lot of people would think. I didn't really realize until I was about 19 or so. I started to have an idea.

I am extremely critical of myself. Not to the point of being unhealthy, but I am my own worst critic. Anything everyone has already said about me, I probably already thought it first. I'm still a bit of a tomboy and maybe not the most delicate of women. *(Laughs)* I guess I'm starting to accept the fact that yes, being a woman with tits and lips and a sexuality, I can do things men don't have access too.

That's why it's a woman's world.
That's true. Maybe if you look at the very basics it may appear to be a man's world, but I'm pretty sure there's been a woman behind every major decision in the world.

Is the sex in your personal life as wild as in your porn sex life? Have you had threesomes, DP's in your personal life?
In the real world, I'm pretty tame. I've done my share of experimenting but a lot of that started after I came into this industry. I've never done a DP. I've had threesomes, but the real exploring started after I got into this industry. I like that it affords me the opportunity to play with other professionals, and then walk away from it afterward, and there's no awkwardness. There's nothing to clean up literally and figuratively after the fact. I can go to work, have fun, expand my mind and my body, and then walk away from it. I think that's what I like about it.

What gets the real Brooklyn Lee excited or horny?
Although I don't experiment much in my private life, my sexuality is real. I don't do things that I don't find fun. I don't do things I don't have a desire to do. So there is no separate sexuality of me as a real person. They definitely overlap. I'm

more or less the same. I like to be dominated, but I'm also dabbling in dominating others, and I'm finding that to be something that's really interesting. I've also gotten to have sex with a bunch of really hot girls that I probably wouldn't have gotten to otherwise. *(Laughs)*

Can you tell about getting DP'ed for the first? What was that like?
My first time getting DP'ed was in *Voracious* in the scene with Sandra Romain dominating me, and with Jean and David. Before we went to Europe, John said, "Remember when you told me you'd be willing to do some things you'd never done before?" I said, "Yeah." He said, "Well, I'd like to do a DP in this movie." So we did it and it only lasted a couple of minutes because there was so many other things going on in the scene. By the time they were both inside of me I was already, completely on another planet *(Laughs)* because of what she was doing and where she was taking me. So I almost don't remember what it felt like. It's sort of bizarre. I remember the moment but I don't even remember what it felt like. But I got to do another DP for Brazzers and that was actually with three guys. *(Laughs)* That was with Ramon Nomar, Tommy Gunn and I can't remember who the other guy was. *(Laughs)* That one we got to focus a little bit more on the actual act itself. That was awesome. You just feel completely consumed and overwhelmed. I'm not a religious person but double penetration is pretty close to a religious experience.

So the first time you had anal was also an awesome experience?
The first time I ever had anal sex, my boyfriend was drunk and so was I. He wanted to put it in my ass, and I said, "OK!" I don't remember it. *(Laughs)* We tried it again when we were both sober, but it didn't work out. I started screaming. "Are you kidding me? This fucking hurts! How did we possibly do this the other day?" It wasn't until a few years later when I was dating another guy who was really into anal sex that I started to get comfortable with it. We did it on a fairly regular basis, once or twice a week. I thought that was regular. *(Laughs)* I figured coming into the adult world that would give me an edge because I know not a lot of new girls offer it up from the get go. So I figured, "Let me do this." I thought it would help me get extra bookings and it did. My first experience on camera with anal was with Mike Adriano, who has a gigantic penis. I wasn't ready for that! *(Laughs)* I had fun, but I definitely wasn't at the point where I am now. Also the fear of being on camera was new to me. It took a few anal scenes before I really knew what I was doing, knew how my body worked, being completely comfortable with myself and what was going on, and how to relax. That's the key—relaxing. It took a while for me to know what I was doing. It's not something that everyone is born just knowing.

"I'm not a religious person but double penetration is pretty close to a religious experience.

Which do you enjoy both, anal or vaginal sex?
At this point it doesn't really matter. I love both and I would never want to have just one over the other. I've done scenes before that were all anal, and I felt like something was missing. The same goes for straight boy/girl scenes so I got, "I wish there was something in my butt." *(Laughs)* I like a healthy mix of both.

How often do you masturbate?
Not as often as you might think. I get to have sex a lot, so I'm usually satisfied—or on my way to getting there. If I didn't perform regularly or have a boyfriend I'd probably masturbate a few times a day. *(Laughs)*

What do you think about when you masturbate?
Usually a very aggressive scene will take place in my head. DP's, gangbangs, things like that. Or a really hot girl that I like.

Nice! Would you consider yourself a true bisexual?
Yeah, for sure. One of the most frustrating things is working with girls who are OK with girls but they're not really into them. It's a really uncomfortable feeling because you feel incredibly self-conscious when you're not sure if somebody is into you or not. Or if you're sure that they aren't. If I weren't into girls, then I would avoid working with them. I like guys because they have penises and they can fill me up, but I prefer the sensuality of a woman. I feel like you can connect on a completely different level because you have the same parts, you have usually the same desires and needs. With men it's the complete opposite. It would be really hard to choose. Maybe I'm into trannies, I don't know. *(Laughs)*

> **"My first experience on camera with anal was with Mike Adriano, who has a gigantic penis. I wasn't ready for that!**

Who would you cast in your dream, all girl porn?
I would cast obviously myself, Andy San Dimas, Skin Diamond, Lexi Belle, Bobbi Starr, and Belladonna. And Jizz Lee. I really, really like her androgynous look, but I also like that she does exactly what she wants to do and could give two shits about what anyone thinks about it. I would cast her also.

Where would you rate yourself on scale of 1-10?
I don't believe in stuff like that. *(Laughs)* I really don't. It depends on the day too. On a good day I'm an eight. On a bad day I feel like a four. *(Laughs)* I don't believe in stuff like that.

What's one super power you wish you could have?
I wish I could travel through time because I think you could really accomplish anything with that ability.

BROOKLYN LEE

What does it take to make a really hot sex scene?

The best scenes I've ever shot—and I'm getting to a point where this is how it is virtually every time because I've matured a lot as a performer—but that there is no formula. If you try to come to set with expectations and a regimented idea of what's going to go down, it kills it. The best scenes and the best sex are the ones in which you just let go and you just do it. You forget about the camera, the lights, the angles and you just immerse yourself in what's going on. You have to let everything go.

Tell me about some other sexual fantasies you have?

For *Voracious* I actually said to John, "I want to do a scene with Manuel, Rocco and Nacho," and he laughed at me. He said, "There's no way that's ever going to happen. It would be too fucking expensive and there would be so many strong personalities in one scene that it's just not going to happen." If I could make that happen that would be awesome. I'm probably going to die with that fantasy left unchecked, but I'd love to try it! *(Laughs)* I've never been gangbanged, I've never managed to get two dicks in my ass at the same time. I've never tried, but it would be difficult because I'm pretty tight. I'd like to try that. And I haven't done any interracial stuff. I'd like to do that at some point this year. I really like Mr. Marcus and Lexington Steele. I would like to shoot with both of them sometime this year.

Would you consider yourself a size queen?

Not at all. The big dicks are good for visual effects and they obviously feel great, but it truly doesn't take that much to get me off. If you know how to use what you're working with, that's the only requirement. Size has nothing to do with it.

What do you want to say to your fans reading this interview in CHERI Magazine?

I'd like to say thank you to each and every one of you because this is a very fan-centric industry. Fans dictate the sales ranking. Without them you are no one, really. So thank you. Thank you to the people who go out and purchase our content. Look forward to the stuff I have coming out in 2012 because I think it's going to be a good year for me!

VERA & CANDY

she has good taste

The last time we saw Vera she was a brunette, and she had her face buried between the thighs of some young runway model. Well, Vera's a blonde now, but her taste for teen pussy hasn't changed. If anything her appetite for young muff has increased. She dives into Candy's wet slit like it's, well…candy. And Candy's gumdrop clit isn't the only thing Vera wants on her tongue. Once she gets Candy's cooze wet and sticky, she'll move around back and feast on Candy's brown starfish. Chow down, Vera! This is what heaven tastes like…

EVIL ANGEL

SEAN MICHAEL'S EVIL CUCKOLD 4

HUMILIATED HUSBANDS WATCH WIVES DINE ON BIG BLACK DICK!

By Kotch Johnson

Super-schlongman Sean Michaels has stuck his big black dick in just about everything over the years—and now he's cumming for your wife! It's one thing for him to bang your bitch behind your back, but it's another humiliating thing altogether to fuck her in front of you—or worse yet—make you clean up his mess when he's done sullying your sweetheart! In this fourth installment of his popular interracial cheating series, Sean crosses some taboo lines as he takes perverse pleasure in penetrating pretty MILFs while shaming their wimpy husbands in the process. How are these white weaklings supposed to compete with Mr. Michaels' black mamba? They're not—they're supposed to shut the fuck up, sit in the corner and cry...or worse...

Photos courtesy of Evil Angel
www.evilangel.com

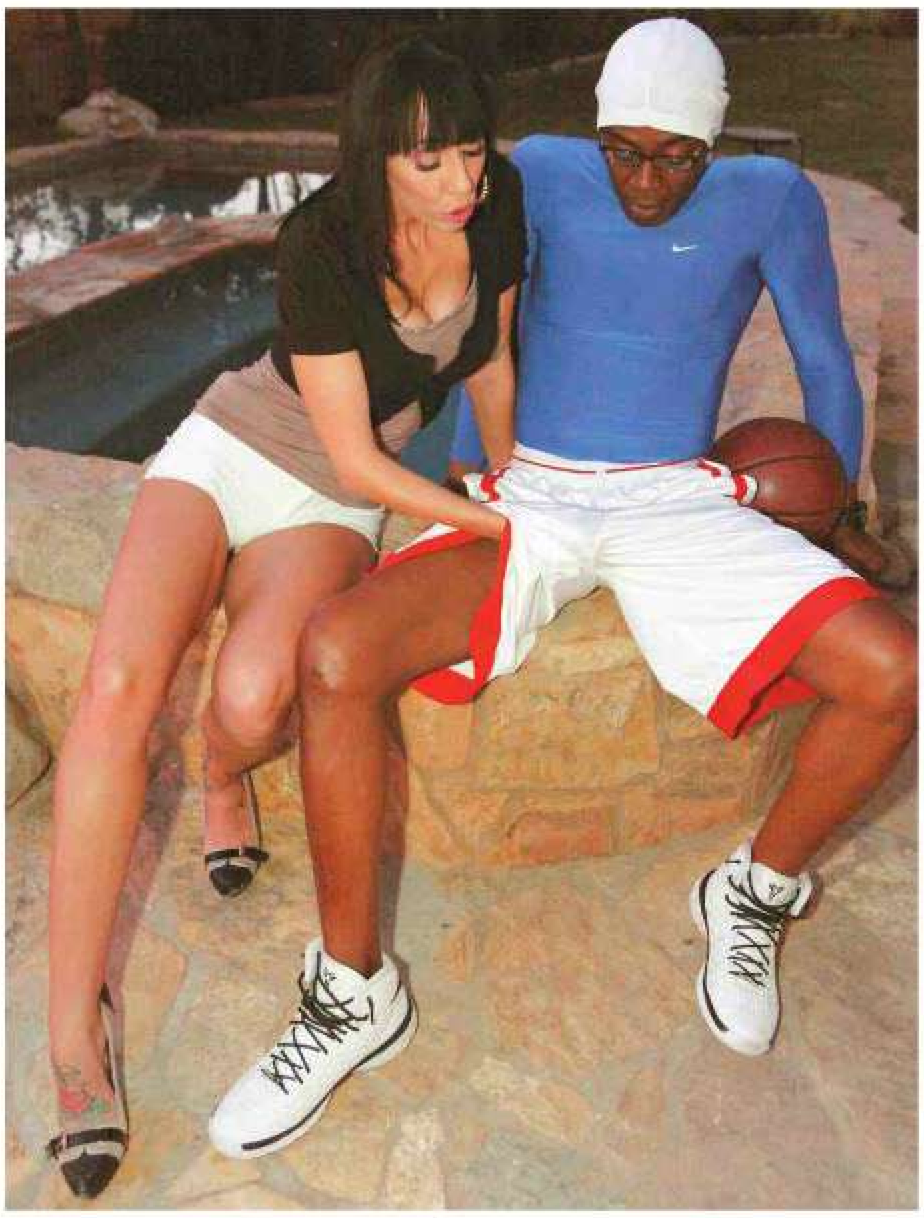
HONEY WHITE AND SEAN MICHAELS

A freckle-faced fuck-bunny named Honey White impales her mouth and her muff on the director's dark dork. The wild-eyed brunette stares in disgust at her bald, poor-excuse-of-a-husband as she bumps her rump into Sean's schlong in an intense, deeply-penetrating doggie delight! Sitting by helplessly, sobbing on the couch nearby, her humiliated husband wails with shame and sorrow as his wife cries with orgasmic ecstasy. It is then that the husband comes to the pitiful, painful realization that he just can't compete with Sean Michaels, as his wife seems strangely satisfied and forever altered by her ebony encounter. Sometimes the truth hurts.

……

MIA RIDER, EMMA ASH, AND SEAN MICHAELS

Modern times call for modern cuckold storylines, and Sean Michaels is clearly a post-modern man. In fact, it's been said he can even turn a lesbo straight! In this scene, he reams a rug-muncher (Mia Rider) who wants to punish her cheating girl-partner (Emma Ash) by making her watch as this four-eyed, big-titted Asian blonde (you heard that right) sucks and fucks Sean's sausage like she's done it a hundred times before (uh, she probably has). Sean plays the ultimate alpha-male as he titty-fucks Mia. There's nothing like the horrified look on Emma's face when her far-east friend gets her big boobs sprayed with Sean's sperm! Go ahead, get in there and lick those titties clean, Emma! We promise we won't tell your dyke friends!



SEAN MICHAELS, JIMMY BROADWAY, AND ALIA JANINE

One minute Sean's shooting a game of hoops, and the next minute he's shooting a load on somebody's wife! A skinny, raven-haired cougar picks up Sean at the basketball court, and brings him home to fuck on the pool table—right in front of her embarrassed, emasculated husband! Pitifully standing by and whimpering emotional support to his wife as she takes all of Michaels' cue stick in her corner pocket, the bitch humiliates her hubby to the highest degree as Sean cums into her cupped hands, which she then feeds to this fucking loser! Cum-on Mr. Michaels, how far must you go to humiliate these helpless husbands?

……

BRITNEY YOUNG AND SEAN MICHAELS

Big-titted blonde Britney Young starts things up by hooking up with Sean, and bringing him back to her house. While she sucks his enormous dick, Britney's pussified partner "comes out of the closet" to watch his wife deep-throat Sean's foot-long schlong. Things get a little creepy when the humiliated hubby tries to lick Britney's beaver while Mr. Michaels pumps her doggie-style (talk about "in your face" action). Then things turn from bad to worse in a hurry as this pathetic excuse for a man helps his wife rim the big black brother, then laps up the spunk Sean squirts on his wife. Yes, you heard that right—the dude eats splooge! You may get your vomit bag now (or another box of tissues if this stuff turns you on). This is some sick shit. Welcome to the wonderful world of cuckolding!

SUNNY LEONE

showstopper

Look out! Sunny Leone is blowing up! This shapely Indian/Canadian goddess is already a living legend in the world of adult entertainment. She's graced the covers of countless men's magazines (including her favorite, CHERI), and starred in hundreds of hardcore fuck flicks. Recently, Sunny moved behind the camera, proving she can direct sex scenes that are just as scorching as the ones she acts in. In November 2011 Sunny made another bold career move—she joined the cast of Indian reality TV show, *Bigg Boss 5*. "It's fun because none of my cast mates know about my career in America," Sunny says. "I can't wait to tell them I'm a porn star!" Since they kind of frown on XXX content in India, Sunny, you may want to wait until you're on the flight home to drop that bombshell!

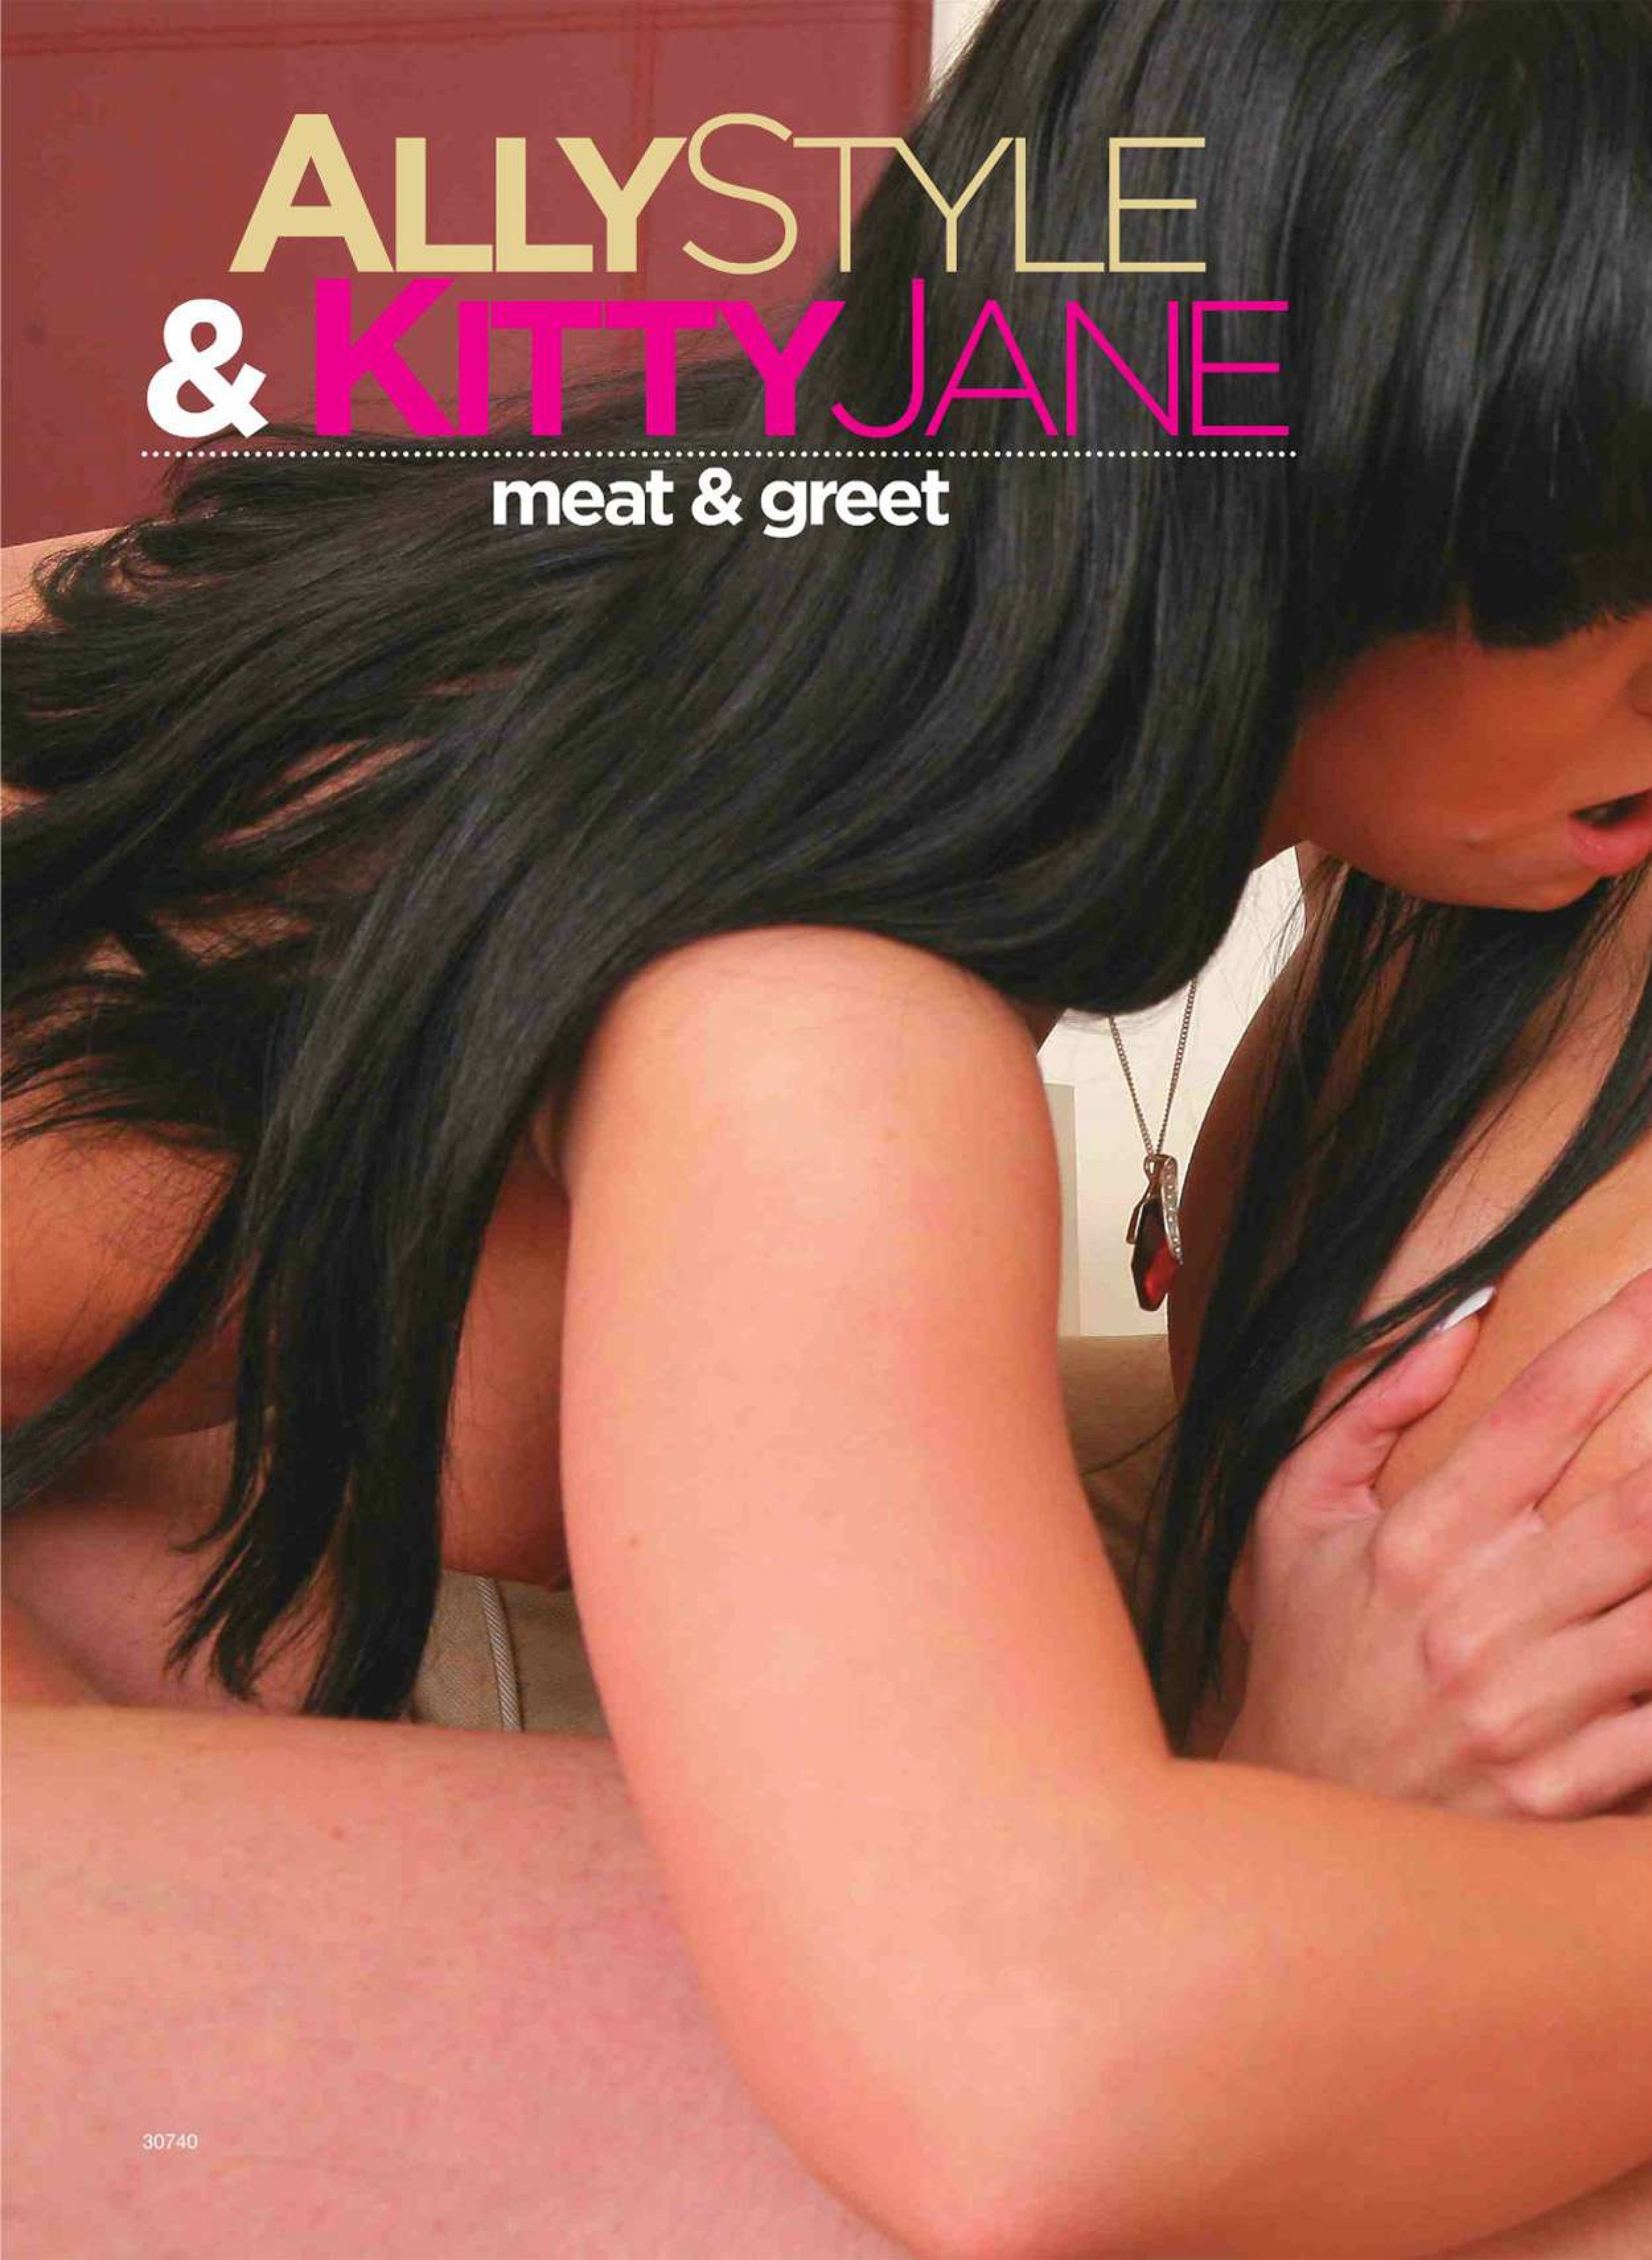
ALLY STYLE & KITTY JANE

meat & greet



30740

Double dates are fucking stupid! Kitty Jane needs some time alone with her man, Ian. Truth be told, she's needs to dump that boring loser, but it never seems to be the "right time." Now Kitty and Ian are stuck on a double date with Ian's friend, Choky, and his wife, Ally. Kitty has these two pegged as a couple of squares, too—until Ally makes a grab for her tits. "What are you doing?" Kitty asks. "Ian told us you'd be into it," Ally explains. "Don't you like it?" Kitty does like it. She likes it a lot. How did Ian know this is what she needed? Maybe he's the right guy for her after all. She'll decide after riding Choky's cock and sitting on Ally's face...

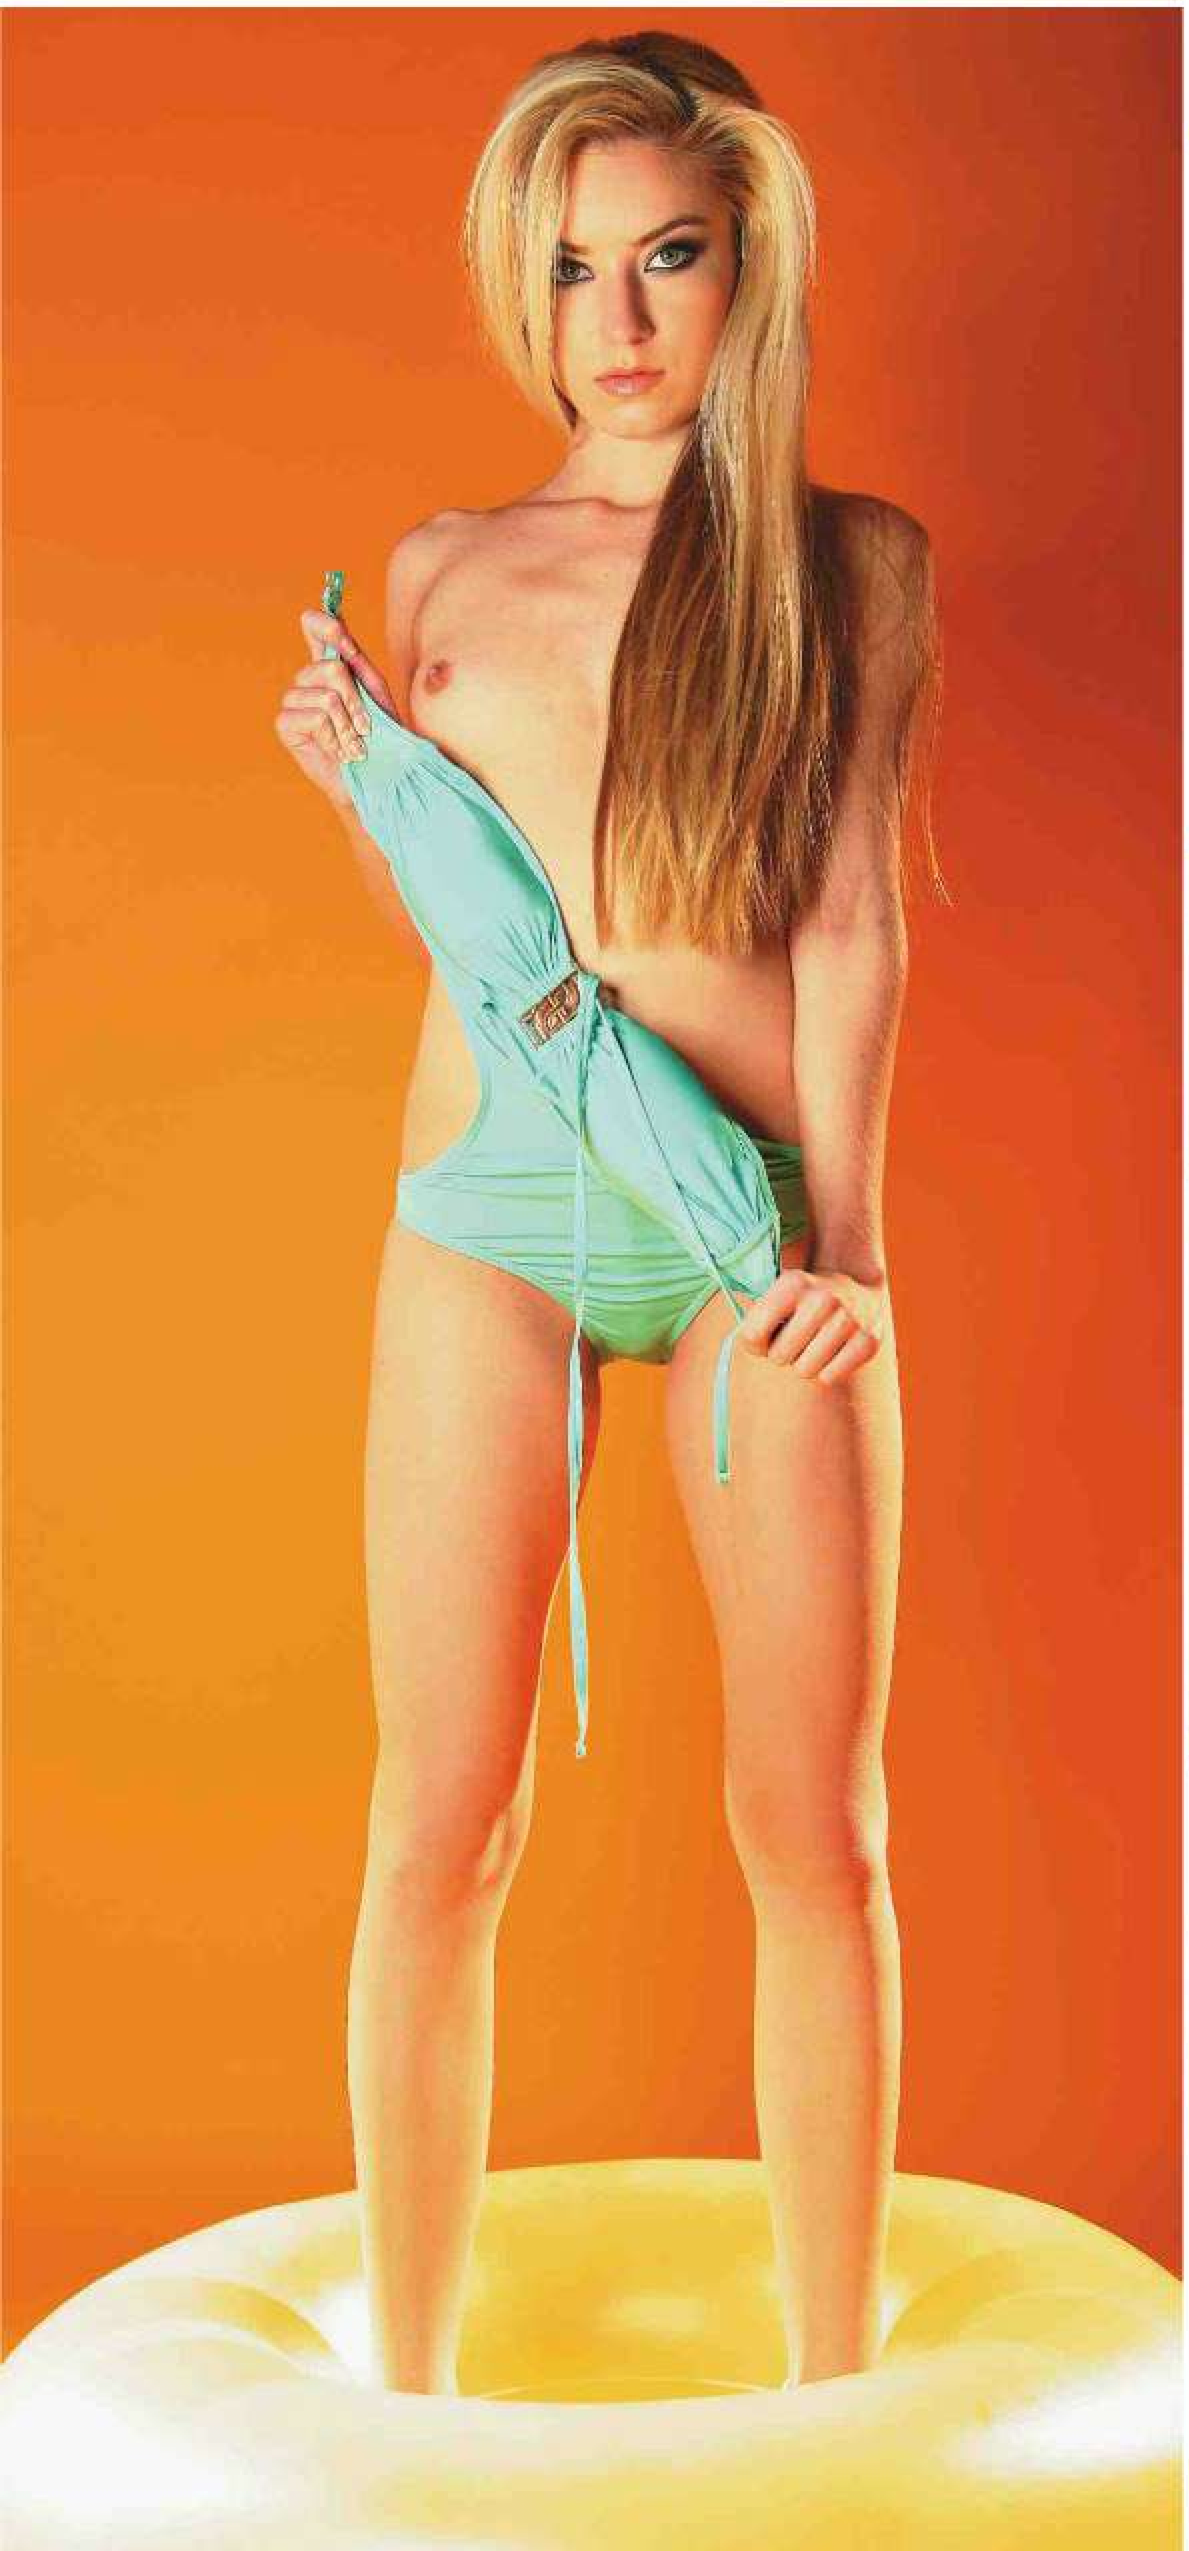
DIANA

wank while you wait

31065



Diana waits in the hotel suite for a lover she has never seen. She met him in an Internet chat room, and then exchanged erotic fantasies with him via email. From there it progressed to "sexting," Diana sending pictures of her spread pussy and juicy ass to this stranger known only as BillB1981. Now, stripped down to her lacy bra and panties, she waits for his knock on the door. She practices the poses she will strike when her mystery lover arrives—sleek arch of her back, fingers brushing stiff nipples, hands cupping the wet heat between her legs. She moans in anticipation. Whoever this unknown computer geek is, he'd better be ready for a hard drive when he rendezvous' with Diana!

CUTIES #3 ⚡⚡⚡⚡⚡

(Elegant Angel) **Starring: Riley Reid, Alex Gonz, Cassandra Nix, Jessie Rogers, Mollie Bennett, Remy Lacroix.**

In this modern porn era of one-upsmanship, high-budget heroics, and extreme, logic defying debauchery, it's refreshing and rare to see a simple, well-executed gonzo classic that delivers. Leave it to Elegant Angel to once again prove that less-is-more with their third installment of the *Cuties* series, a fresh-meat parade that pleases the senses. Every nubile newbie is interviewed and we see their inexperience and innocence shattering right before our own eyes. One minute the shy girls are talking about singing in high school choirs, cheerleading practice, and being raised 'properly.' The next thing you know they've got a finger up their ass and a mouthful of cock! Eighteen year-old Brazillian blonde Jessie even gets her ass crack fucked, and learns how to squirt with a little coaching from Mick Blue. Remy LaCroix also catches our attention as she catches a load on her tongue after taking some backdoor boner in the butt-hole. Unlike a lot of amateur flicks, there's not a bad scene in the bunch, and all five girls show their potential and porn-staying power in this delightfully executed excursion!

PRAISE THE LOAD 7 ⚡⚡⚡⚡

(Jules Jordan) Starring: Jada Stevens, Jessica Moore, Lexi Swallow, Adrianna Luna, Leilani Leeanne, Penny Pax.

All blowjobs are not created equal. Before being so quick to dismiss a dick sucking as little more than some warm-up foreplay before the real sex comes along, we suggest you watch this knob-slobbering number from Jules Jordan. Already in its seventh incarnation, *Praise The Load* has developed a cult-like following, and not simply because of its religiously-themed title, but rather for treating fellatio as nothing short of an art form. Really hot porn stars take-on multiple schlongs at the same time, and nobody even swallows. Instead, it's all about taking a facial (or in some cases, an eyeful). Don't think it's one-dimensional though—four-eyed fuck-doll Penny Pax gets her asshole teased while getting tea-bagged, skull-fucked and hosed down with multiple loads on her spectacles. Saliva specialist Adrianna Luna creates the perfect cock circle blow-bang; Jessica Moore uses her supple tits for fucking when her jaw gets tired. Rest assured these cock-sucking cuties are resourceful, sexy and well worth the watch!

BOBBI VIOLATES SAN FRANCISCO

(Evil Angel) **Starring: Bobbi Starr, Beretta James, Vivienne Del Rio, Krysta Kaos, Sparky Sin Claire, Jessie Cox, Dylan Ryan, Princess Donna, Audrey Rose.**

Combine the socially liberated city of San Francisco with rectally-liberated director/performer Bobbi Starr and you're in for two discs worth of fetish, derriere domination, and hardcore ass-fucking! The native Bay Area backdoor specialist brings us eight anal excursions you won't soon forget. Every scene has one dude and two sluts, shot in a 'extreme-reality' format which brings an extra edge—though the action is plenty edgy all by itself! Notable blonde bimbo Jessie Cox starts things off in fine fashion by rimming Bobbi Starr's rusty sheriff's badge while Mr. Pete sodomizes her asshole in a bathroom stall. And believe it or not, things get even more deviant from there! Add in some nasty interracial excursions, twisted tattooed temptresses, rough ass-to-mouth taste tests, makeup-messing face-fucking and high-pitched anal wailing, and, well, you've got one mess of a masterpiece to help you masturbate—only in San Francisco!

FILL HER UP ⚡⚡⚡

(New Sensations) **Starring: Barbie White, Bob Terminator, Colette, Choky Ice, James Brossman, Leslie Taylor, Lioness, Lou Charmelle, Nick Lang, Teena Lipoldina, Titus Steel, David Perry, Dexter.**

Imagine a utopian world where gorgeous Euro-sluts allow you and your friends to rectally roger them at-will. A world where nothing was off-limits—a world where the beautiful babe allowed you to fill her up with your cock, in any hole you choose, as nasty as you wanted it. If this sounds like the place for you, then go buy this movie—because *Fill Her Up* is nothing short of nasty anal bliss! Well-shot, kinky and cum-drenched, this movie gives new meaning to the phrase 'down and dirty.' Double penetration is the name of the game here, with horny settings on bars, in jacuzzis and hunched over couches. Every scene sizzles, but Colette's scene takes the cake—after getting her asshole fingered and licked like a lollipop, she gets her sweet bum pummeled in a ball-slapping backdoor boff-a-rama, which crescendos in a double-anal creampie—not to mention a third pop down the throat for good measure!

31382

WHORES IN TRAINING ⚡⚡⚡

(Metro/Deviant) **Starring: Poppy Morgan, Misty Mild, Leah Luv, Riley Shy, Alicia Alighatti, Sabrina Sweet.**

Being a whore apparently doesn't come naturally—like any job, there's an intense training period required to learn the craft inside and out! And who better than performer-turned-director Leah Luv to show these young slut wannabes just how it's done? An inexperienced cast of cutie-pies and eager beavers perfect their craft and earn their wings the hard way—as in hard cocks up their pussies and asses! Poppy Morgan stands out for her gritty performance which aims to please, and Alicia Alighatti contorts her body like spaghetti as the nubile nymph gets pretzel-fucked and cum-splattered. All-in-all this release is a success that will make you release as you jerk-off in delight watching Whores in Training!

POUND THE ROUND 9 ⚡⚡

(Digital Sin) Starring: Sheena Ryder, Gia Steel, Paige Turnah, Valerie Kay.

Slammin' your cock into a bubble butt broad sounds fun! Digital Sin has cashed in on this concept for a while now, and fans of this series have grown accustomed to seeing quaking kiesters and beautifully-bummed beauties taking a ride on the rectal roller coaster in an up-close, POV style that was unique and focused under former director Mike Adriano. But now Mike's out of the director chair to stick his cock in the girls' gluts, and in his place new director Lazlo H has carried the filming in a more artsy, less ass-centric style. Add to that the fact *Pound The Round 9* only showcases four scenes (instead of the usual five), and that Valery Kay's scene was rather uninspired to say the least, and you're left with just three decent derrieres being demolished, which simply doesn't feel like enough bang for your buck. The babes are hot (such as covergirl Gia Steel, and Paige Turnah's super-short scene), but pretty asses aren't enough here, we need more ass, more action, and a style more like we're used to. Painful as it is to admit, you might have to pass on this piece of ass.

TURBO-D

FOR ERECTION PROBLEMS

American Indians discovered miracle drugs in nature; aspirin in birch bark, quinine in cinchona, digitalis in fox glove and DAMIANA, which they used to stimulate long, strong erections. Chinese used GINSENG to increase sexual power, while Central Americans used sarsaparllia in the same way. Our formula supplants ALL THESE LEGENDARY PRODUCTS in a single capsule for daily use. We make no claim **TURBO-D** is an aphrodisiac, but we've had many repeat customers since 1974. If you have erection problems, try it. You won't be sorry.

DO YOU WANT THE SEX POWER OF A BULL?

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans...but if you'd like to WANT IT MORE and DO IT MORE...if you'd like a BIGGER STIFFER ERECTION that goes the distance. Tocopherol may be the answer for you. Tocopherol is completely safe for human human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

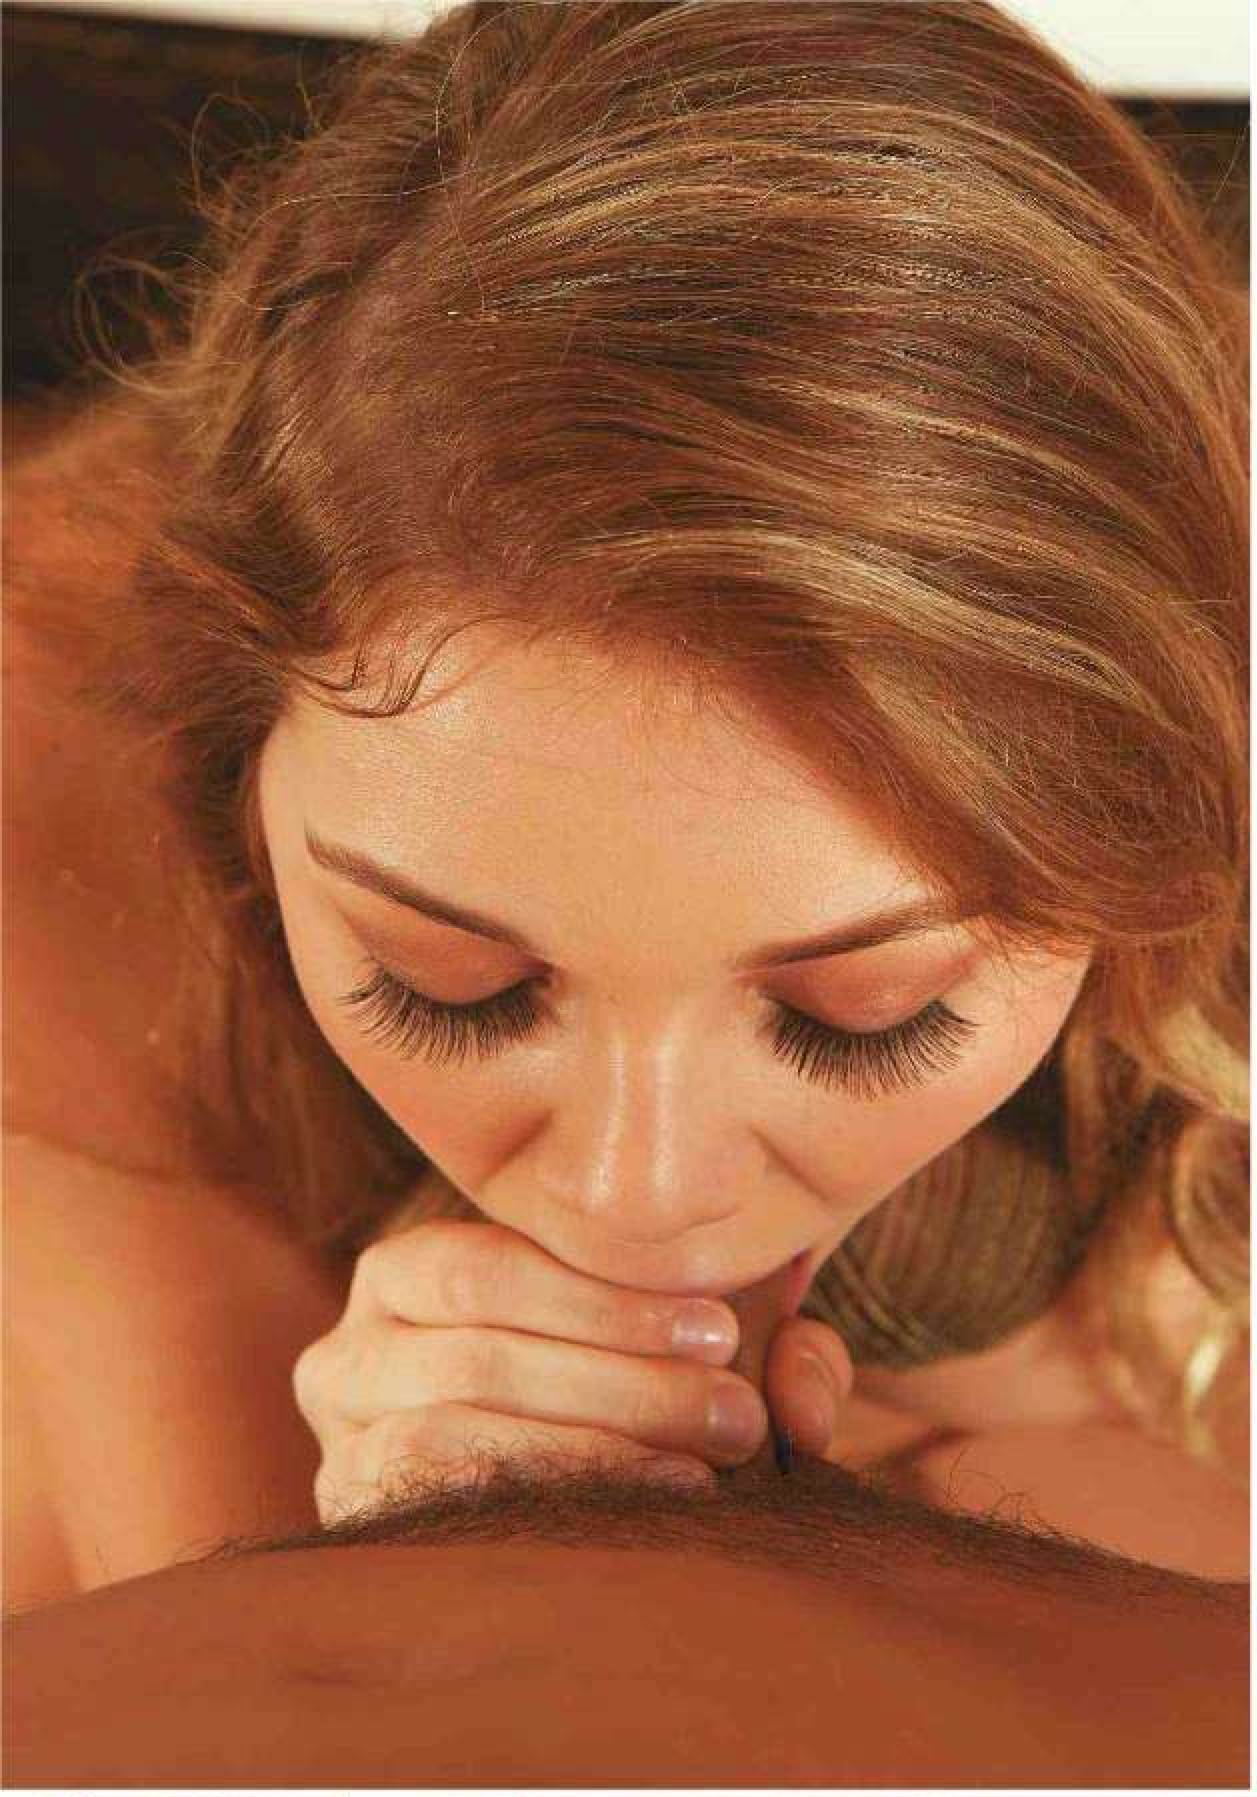
JESSIEANDREWS

naughty newbie

Eighteen months ago, Jessie Andrews was virtually unknown—except by a handful of high school boys who had managed to talk their way into her pants. But a mere year and a half later, Jessie has taken the porn world by storm. In the last twelve months she made the critical and commercial smash, *Portrait of a Call Girl*, earning a Best Actress and Best New Starlet trophy for her work. Today she's taking Rocco Reed for a ride. "Sex is such a stress-reliever for me," Jessie says. "Sucking and fucking is only thing that keeps me energized and focused." Great, Jessie! Now you can get back to the business of sucking and fucking!



To see more hot photos of **Jessie Andrews**, visit **www.cherimobile.com/31231** or simply scan the code above with your Mobile Camera Phone using your QR Code reader. DANI DANIELS & AALIYAH LOVE

the old college bi

Blonde coed cutie Aaliyah Love knows her friend Dani Daniels is struggling with her community college courses, and she wants to help. “Let’s go to the library and I’ll help you study for your philosophy final,” Aaliyah says. “Nope,” Dani says, grabbing Aaliyah’s hand and pulling her down to the blanket beside her. “What I’d rather do is make out with you!” “But that won’t help you pass your philosophy final,” Aaliyah notes. “It might,” Dani says, kissing Aaliyah softly on the mouth. “Because my professor is right over there…watching us…” Aaliyah returns the kiss, letting her tongue roam freely in Dani’s mouth, her hands inside Dani’s blouse, cupping her breasts. She takes a discreet look behind her. “Is your professor that guy with the boner standing under the palm tree? Aaliyah asks. “No,” Dani replies. “It’s that women on the park bench who keeps rubbing her thighs together…” Make teacher happy, Dani!
